- The Company has considered the possible effects that may arise out of the still unfolding Covid-19 pandemic on the carrying amount of property, plant and equipment including intangible assets, inventories, trade receivables, other financial assets, other assets etc. For this purpose the Company has considered internal and external sources of information up to the date of approval of the standalone financial results including economic forecasts, market value of certain assets etc. Based on the current estimates, the company does not expect any significant impact on such carrying values. The Company will continue to closely monitor for any material changes to future economic condition.
